

INS 10th World Congress - Preliminary ProgramSelect Language Powered by  Google Translate**Wednesday, 25 May 2011**

0730-0800	BREAKFAST & POSTERS
Morning Plenary Lectures	
	Neuromodulation for Pain of the Head and Neck Moderator: Mario Meglio
0800-0820	Headache & Facial Pain Jean-Pierre Van Buyten
0820-0840	Outcomes for Neurostimulation for Headache Syndromes Lawrence Watkins
0845-0905	Motor Cortex Stimulation for Facial Pain Jean Paul Nguyen
0910-0930	Brain, Occipital Nerve, and Vagus Nerve Stimulation Applied to the Treatment of Refractory Headache Angelo Franzini
0930-0950	Deep Brain Stimulation for Pain Tipu Aziz (0930-0950)
0950-1010	Q & A
1010-1030	BREAK & POSTERS
1030-1110	Central Neuromodulation for Stroke Plenary Robert Levy
1115-1200	4 Oral Poster Presentations Moderator: Sam Eldabe
1200-1315	LUNCH
1315-1430	EXHIBITION & POSTERS
Afternoon Concurrent Sessions	

	Breakout 1 Neuromodulation: The Periphery Moderators: Teodor Goroszeniuk & Konstantin Slavin	Breakout 2 Neuromodulation for Epilepsy Moderators: Ashwini Sharan & Arthur Cukiert	Breakout 3 Neurorehabilitation & Stroke Moderators: Robert Levy & Paul Taylor
1430-1450	Theory & Application Giancarlo Barolat	Responsive Stimulation Trial for Epilepsy Ashwini Sharan	The Neurophysiological Basis and Clinical Relevance of Neuroplasticity Jane Burridge
1450-1510	Subcutaneous Stimulation for Neck & Shoulder Pain David Abejón	Intracranial Neuromodulation for Epilepsy Francisco Velasco	Clinical Evidence for Neural Plasticity John Chae
1510-1530	The Extremity Bruce Mitchell	Vagal Nerve Stimulation for Epilepsy Guoming Luan	Functional Electrical Stimulation for Swallowing Shaheen Hamdy
1530-1550	Outcomes & Publications Paul Verrills	Deep Brain Stimulation of the Anterior Thalamus for Epilepsy Jaimie Henderson	Functional Electrical Stimulation for Upper / Lower Limb Function Christine Singleton
1550-1610	Au Contraire Timothy Deer (Concludes at 16.20)	Thalamic and Hippocampal Stimulation for Refractory Epilepsy Arthur Cukiert	New Techniques: Functional TMS, Transcranial DC, etc. Alvaro Pascual-Leone
1610-1630	Q & A	Q & A	Q & A
1630-1650	BREAK & POSTERS		
1650-1800	5 Free Oral Poster Presentations on Pain Moderator: Peter Toomey	Surgery for Depression & Alzheimer's Disease Andres Lozano 3 Free Oral Poster Presentations on the Brain Moderator: Roger Strachan	5 Free Oral Poster Presentations on Neurorehabilitation & Stroke Moderator: Krishna Kumar
<i>Evening</i>	<i>President's Reception - by invitation only</i>
