<https://neuromodulation-sydney.eventbrite.com>

**Questions:**

[neuromodsociety@gmail.com](mailto:neuromodsociety@gmail.com)

With experts from the International Neuromodulation Society (INS) & the Neuromodulation Society of Australia and New Zealand prior to the **INS 14<sup>th</sup> World Congress**

## **CME-CPD Accreditation**

### **INS CME MISSION STATEMENT**

The International Neuromodulation Society promotes improvement in patient health care by providing physicians and allied health care professionals with high quality, evidence-based educational activities focusing on advances in the field of neuromodulation; basic, translational and clinical research; new technology; and global health care. The overarching goals are to enhance learners' knowledge, competence and performance to improve patient access, selection, safety and clinical outcomes.

### **ACCREDITATION STATEMENT AND CREDIT DESIGNATION**

#### **European Accreditation Council for Continuing Medical Education (UEMS/EACCME)**

The International Neuromodulation Society's 14th World Congress is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS): [www.uems.net](http://www.uems.net).

The International Neuromodulation Society's 14th World Congress is designated for a maximum of, or up to, 36 European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

### **TARGET AUDIENCE**

INS 2019 is the global meeting place for neuromodulation specialists, basic scientists and biomedical engineers. Because of the diverse, clinically focused educational offering, participants are able to tailor the curriculum to meet the needs of international clinicians of all levels of experience.

### **Credit Breakdown**

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

#### **Day**

Public Educational Event,  
Sunday, May 26, 2019

#### **Maximum Credits**

4 ECMECs

### **To Receive Your CME/CPD Certificate**

The CME/CPD certificate will be available after completing the online evaluation and credit claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before June 27, 2019:

1. Access the online system
  - Visit the CME/CPD Accreditation page on the event website, [bit.ly/INS-2019-accreditation](http://bit.ly/INS-2019-accreditation)
  - Follow the link in the email sent at the end of the event
2. Complete the anonymous online evaluation
3. Complete the credit claim form and submit
4. The CME/CPD certificate will be available for download and/or print for your personal records

### **Disclosure and Resolution of Personal Conflicts of Interest**

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest resolved. Disclosure is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

### **Industry Support Disclosure**

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgement of all supporting organisations is made in the programme guide, on the event website, and with signage during the event.
