INVITATION

The Neuromodulation Society of Australia and New Zealand (NSANZ) is pleased to offer it's second Cadaver Workshop to be held on Sunday, 29 October 2017 in Sydney, NSW.

The panel of accomplished educators have constructed a dual program designed to address both theory and practical demonstration to serve both pain physicians and surgeons starting out in neurostimulation.

For sponsorship and exhibition opportunities or more information, please contact the NSANZ 2017 Workshop Secretariat:
